Brand: Crank

Product Description

String Outdoor Seating Range is constructed with a suspended structure and a hand-woven technique to create a classic, timeless impression. High-resilience PVC rope gives the effect of countless strings, tightly arranged, bringing an unparalleled comfort in sitting experience. Three frames of carbon black, rice white, clay color are unified with the color of ropes, giving the chair a delicate texture. Products specified for outdoor use will withstand continuous rain for hours; however, it must be wiped dry immediately & stored undercover when not in use. Continuous exposure to rain and sun may result the colour on frame to fade. This does not affect product for purpose of use.
